

Registration Information

To register for Operators' Day, fill out the accompanying registration form. Participants may register for either or both days of the program.

Please register by January 17, 2006. Pre-registration is required for attendance at Operators' Day. Individuals registered by this date will be mailed written confirmation and a map. Name tags and registration materials can be picked up at the registration desk the day of the meeting. **The \$50.00 per person, per day registration fee includes lunch.**

****Please Note****

Registrations received by mail or FAX without payment (check, money order or purchase order no.) will be processed only after the registration deadline, space permitting.

Cancellation Policy

If you cannot attend this seminar, please send a substitute. Fax information about a substitute to 517-241-0325. If no one from your organization can attend, you will be entitled to a refund according to the following schedule:

If cancelled:

14 days or more before the seminar date
75% Refund
13 days before and through the date of the seminar/no show
No Refund

Seminar Information

Water and wastewater utility managers and operators should plan to attend either or both days of this training opportunity. This year's program will center on professionalism, technical skills, and safety. Attendees are invited to take full advantage of the displays of equipment and services at JOINT EXPO.

For additional information, contact:

Paul Brun Del Re
Michigan Dept. of Environmental Quality
517-241-8914

Continuing Education Credit

Participants who attend the entire Operators' Day program, may receive 3 hours (0.3 continuing education credits) of MDEQ drinking water/waste water (Category; other) advisory-board approved education credit, each day. Also attending JOINT EXPO is worth 0.2 CECs.

To view an updated program, go to the Michigan
Section AWWA website at:
<http://www.mi-water.org> in early January

JOINT EXPO is an exposition for utility personnel and consultants, by equipment suppliers, manufacturers and consulting engineers who want an effective method to exhibit their products and services to water and wastewater professionals. It is a day to collect product information, see and evaluate new equipment, exchange business cards with exhibitors and new contacts, see old friends, learn, share, network, shop, compare and evaluate how your facility/business compares to where you need to be in the future.
Attending JOINT EXPO is worth 0.2 CECS.

SEWER HISTORY EXHIBIT

Joint Expo is proud to host Jon Schladweiler and his sewer history exhibit. The exhibit, coming all the way from Arizona will have on display old photos, documents relating to sewer design, artifacts including pieces of pipe and sewer maintenance tools. This exhibit has been displayed around the country, and recently aired on the program "Modern Marvels: Sewers" on the History Channel. On Tuesday, Jon will be making a Power Point presentation to Operators' Day attendees with a repeat performance from 4:15 P.M. to 5:15 P.M. for the new and young professionals in the water industry.
