

2008 Michigan Section, AWWA Annual Conference Exhibits - September 9 & 10, 2008 @ Kalamazoo Radisson Plaza Hotel & Suites

Exhibitor Name & Assigned Booth #	Products/Services to be Exhibited at Conference
1. Mueller Company	Hydrants & valves
2. Calgon Carbon Corporation	Activated carbon products/services for purifying water/vapor streams
3. Kennedy Industries	Pumps, valves
4. Natgun	Concrete ground water storage
5. R. Vanderlind & Son	Pipes, valves, hydrants, meters
6. Westin Engineering	Engineering & information technology consulting
7. Wonderware Central	Industrial automation & information software
8. Panton McLeod Americas	Water storage tank cleaning products; air stripper/filtration media
9. Fishbeck, Thompson, Carr & Huber	Consulting engineers
10. Ranney Collector Wells	Ranney Collector Wells; a Layne Company
11. Layne Northern	Water supply services
12. Badger Meter	Water meters & metering systems (AMR)
13. Northwest Pipe Company	Steel pipe for water/wastewater transmission
14. Hach Company	Process and laboratory analytical instrumentation and chemicals
15. CGS Safety Training	OSHA Compliance Safety Training
16. Johnson Controls	Meter/AMR/leak detection programs funded thru efficiencies created
17. Cathodic Protection Management	Full service corrosion engineering services & products
18. Water Remediation Technology	Treatment systems for the removal of radionuclides from drinking water
19. KAR Laboratories	Laboratory & testing services
20. Trenton Corporation	Anti-corrosion coatings & materials manufacturer
21. Jones & Henry Engineers	Engineering for water, wastewater & stormwater design & construction
21a. Pro-Tec Equipment	Trench shoring & shielding
22. LiquiForce	Water & sewer pipeline rehabilitation & maintenance
23. Inland Waters Pollution Control	Water pipe rehabilitation products
24. Golder Associates	Water resource; water treatment services
25. East Jordan Iron Works	Hydrants, valves & castings
26. The Sherwin-Williams Company	Paint coatings
27. City of Kalamazoo	Conference host city – information booth
28. Solberg, Knowles & Associates	Water filtration equipment (pressure vessels & gravity); underdrains
29. Waterworks Systems & Equipment	Process equipment, disinfection systems & chemical feed

2008 Michigan Section, AWWA Annual Conference Exhibits - September 9 & 10, 2008 @ Kalamazoo Radisson Plaza Hotel & Suites

30. Rockwell Automation	SCADA, VFD's, MCC's
31. Victaulic	Couplings, fittings, valves for DW & WW piping
32. Michigan Rural Water Assn.	Training & technical assistance to DW & WW utilities & personnel
33. Abonmarche	Engineering/Architecture/Surveying
34. CORPRETEK, Inc.	Corrosion Engineering/Cathodic Protection & Coatings Inspect Serv.
35. Utility Service Company	Full Service Maintenance Programs for Potable Storage Vessels
36. Fluid Process Equipment	Pumps, blowers & electronics
37. A.Y. McDonald Mfg. Co.	Waterworks brass distribution valves & fittings
38. Hydro Designs	Cross connection control program management services
39. S.L.C. Meter Service	Water meters & reading systems
40. Williams & Works	Engineering Services
41. R S Technical Services	Chemical feed/metering equip.; Siemens process analyzers; SCADA
42. Peerless Midwest	Well drilling & water supply contractor
43. Metrohm USA, Inc.	Ion chromatography & titration instruments
44. Elhorn Engineering Company	Chemical feed equipment & products
45. Sigma Corp.	Ductile/cast iron manufacturer in DW & WW fittings & restraints
46. N.R. Mitchell	Water booster pumping
47. Water Solutions Unlimited	Water treatment chemicals, dehumidifiers
48. Dixon Engineering	Professional Engin. services for steel & concrete coating applications
49. Underground Pipe & Valve	Small grinder station, meters, fire hydrants, valves
50. Watts / Ames ACV	Automatic control valves & plastic fittings
50a. Umbaugh	Financial advisory services to local governments; rate studies
51. Midwest Trenchless Services	Directional drilling, pipe bursting
52. M.E. Simpson Company	Water meter testing, leak detection, main line valve exercising
53. Ductile Iron Pipe Research Assoc.	Ductile Iron Pipe
54. Preload, Inc.	Prestressed Concrete Tanks
55. Earth Tech	Water/Wastewater Environmental Consulting & Design
56. Trojan Technologies	UV technology
57. Kerr Pump & Supply	Pumps, magmeter
