Seminar Information

Water and wastewater utility managers and operators should plan to attend either or both days of this training opportunity. This year's program will focus on our liquid assets and their management, water legislation, chemical spills and other hazards in the workplace, safety tips from a survivor, and PPCPs in our water. Attendees are invited to take full advantage of the displays of equipment and services at JOINT EXPO.

Continuing Education Credit

Participants who attend the entire Operators' Day program may receive 3 hours (0.3 continuing education credits) of MDEQ drinking water/wastewater (Category: other) advisory board-approved education credit, each day. Also attending JOINT EXPO is worth 0.2 CECs of MDEQ drinking water/wastewater (Category: other) advisory board-approved education credit.

To view the program or to check your registration confirmation go to the Michigan Section AWWA website at: <http://www.mi-water.org> in late January.

JOINT EXPO is an exposition for utility personnel and consultants, by equipment suppliers, manufacturers and consulting engineers who want an effective method to exhibit their products and services to water and wastewater professionals. It is a day to collect product information, see and evaluate new equipment, exchange business cards with exhibitors and new contacts, see old friends, learn, share, network, shop, compare and evaluate how your facility/business compares to where you need to be in the future. **Attending JOINT EXPO is worth 0.2 CECs of MDEQ drinking water/wastewater (Category: other) advisory board-approved education credit.**
