

# MICHIGAN SECTION AMERICAN WATER WORKS ASSOCIATION

## \$1,000 TEACHER GRANTS AVAILABLE

The Michigan Section of the American Water Works Association (AWWA) is offering **two \$1,000 grants for the 2010-2011 school year** for teachers interested in creating and implementing **water related** curriculum for their classroom.

Coordinated by the Youth Education Committee, these grants are intended to assist teachers in developing fun, hands-on methods for teaching students about water resources that can be implemented year after year.

Please provide the following in your grant application:

Cover Page:

1. School and Teacher Name
2. School Address, Phone, & Fax
3. Email Address

**Narrative (Limit Three Pages)  
Must include the following:**

1. Objective
2. Summary
3. Budget
4. Timeline
5. Method for continuation of program (funding)

We value your time, so please make the applications as simple as possible. Do not include letters of support unless they directly relate to in-kind support you will receive as part of this project. Please do not include extra covers or bindings.

Mail application form, or send electronically to:  
[mgrenier@hollandbpw.com](mailto:mgrenier@hollandbpw.com)

Mailing address for the application is as follows:

Mike Grenier, Committee Chair  
City of Holland  
625 Hastings Avenue  
Holland, MI 49423  
Phone: 616-355-1263  
Email: [mgrenier@hollandbpw.com](mailto:mgrenier@hollandbpw.com)

If you have questions regarding this application, please feel free to call Mike at: 616-355-1263.
